- (a) the incorporation by Holdco of an investment vehicle under Italian law ("**Newco**"), which will in turn incorporate another investment vehicle under Italian law ("**Bidco**", or the "**Offeror**");
- (b) the contribution in kind, into Holdco, of: (i) 454,545 ordinary shares of Engineering, by Michele Cinaglia; (ii) 42,378 ordinary shares of Engineering, by Paolo Pandozy; and (iii) 100 ordinary shares of Engineering by Armando Iorio, thus 497,023 ordinary shares of Engineering in aggregate, corresponding, in total, to 4.1% of the share capital;

- (e) as a result of the contributions under (c), and the purchases under (d) (together, the "**Initial Acquisition**"), the consequent launch by Bidco of a mandatory tender offer, pursuant to articles 102, 106(1) and 109 of the Consolidated Law on Finance (the "**Consolidated Law on Finance**"), with respect to all the ordinary shares of Engineering, other than the shares held by Bidco, the shares included in the contribution, and the 343,213 treasury shares held by Engineering (the "**Mandatory Tender Offer**");
- (f) on the assumption that, as a result of the acceptances of the Mandatory Tender Offer, the Offeror and the Persons Acting in Concert (as defined below) will have a shareholding that in aggregate exceeds 90% of Engineering's ordinary share capital, Bidco will not re-establish the float, and will be obliged to purchase from any person who so requests any ordinary shares of Engineering not tendered into the Mandatory Tender Offer, pursuant to article 108(2) of the Consolidated Law on Finance (the "**Purchase Obligation**"), with the aim of obtaining the revocation of the listing of the ordinary shares of Engineering from the Electronic Stock Market (the "**De-Listing**");
- (g) on the assumption that, as a result of the acceptances of the Mandatory Tender Offer, the Offeror and the Persons Acting in Concert (as defined below) will have a shareholding that in aggregate exceeds 95% of Engineering's ordinary share capital, Bidco will exercise its right

to purchase from any person who so requests any ordinary shares of Engineering not tendered into the Mandatory Tender Offer, pursuant to article 111(1) of the Consolidated Law on Finance (the "**Purchase Right**"); and

- (h) the possible merger of the Offeror into the Issuer, or *vice versa*, and possibly, of the Offeror into Newco;

(all such transactions under (a) to (h), together, the "**Transaction**").

The Investment Agreement is intended to govern the undertakings assumed by the Industrial Shareholders, the Top Managers, Holdco, Newco and Bidco, in relation to the sales, purchases and contributions of ordinary shares in Engineering described above.

Moreover, the Schedules to the Investment Agreement include a form of "*Holdco Shareholders' Agreement*" (the "**Holdco Shareholders' Agreement**"), which will be executed on the Closing Date (as defined below) and governs the rights and obligations of Michele Cinaglia, Paolo Pandozy, Armando Iorio, MIC EquityCo S.C.A., a company incorporated under Luxembourg law jointly controlled by Newco NB and Newco A8 ("**Topco**"), and MIC TopCo S.à r.l., a company incorporated under Luxembourg law and a wholly-owned subsidiary of Topco ("**Luxco 2**"), in relation to the corporate governance of Holdco, Newco, Bidco, Engineering and the latter's subsidiaries; and certain mechanisms in relation to the future divestment of shareholdings in Holdco, and, in the event of Engineering's delisting, terms regarding a future listing of Engineering through an IPO, to be implemented as from the third anniversary of the execution of the Initial Acquisition, or, in the absence of favourable market conditions for an IPO, the sale of direct or indirect equity stakes in Engineering to one or more third-party purchasers.

Also yesterday evening, Newco NB, Newco A8, MIC EquityCo GP S.a.r.l. (a company incorporated under Luxembourg law jointly controlled by Newco NB and Newco A8 ("**Topco GP**")), Topco and Luxco 2 entered into a Topco Shareholders' Agreement, governing the rights and obligations of Newco NB and Newco A8 in relation to the corporate governance of Topco GP, Topco, Luxco 2, Holdco, Newco, Bidco, Engineering, and the latter's subsidiaries; as well as certain limits upon transfers of their respective stakes, and mechanisms in relation to the future divestment of their stakes in Topco GP, Topco and Luxco, and the divestment of their indirect stakes in Engineering.

Also yesterday evening, Holdco entered into an agreement with Bestinver Gestion SGIIC S.A. under which the latter company agreed that it would, upon certain conditions, tender into the Mandatory Tender Offer shares managed by it, representing in aggregate approximately 8.5% of the share capital of Engineering (the "**Tender Agreement**").

As a result of the execution of the Initial Acquisition, and more particularly, in the event that all of the conditions precedent to the Investment Agreement, as detailed below, are satisfied on the date of their completion (the "**Closing Date**"), the share capital of Holdco will be held, depending upon the level of acceptances in the Mandatory Tender Offer (and considering also the Purchase Obligation, and any exercise of the Purchase Right), between 81.4 and 93.4% by Luxco 2; between

6.0 and 17.0% by Michele Cinaglia; between 0.561 and 1.461% by Paolo Pandozy; and between 0.001 and 0.003%, by Armando Iorio. Michele Cinaglia will also directly hold between 6.6 and 16.6% of the share capital of Newco, and thus at least 12.2% of the total equity in the Transaction (in case of full acceptance of the Mandatory Tender Offer).

Terms of the Holdco Shareholders' Agreement, the Topco Shareholders' Agreement and the Tender Agreement will, to the extent they fall within the scope of article 122 of the Consolidated Law on Finance, be notified to the appropriate regulatory authorities and the market, in the manner and at the times indicated for such disclosure by the law and regulations in force.

The execution of the Initial Acquisition and the Transaction, is subject to satisfaction, no later than 30 September 2016, of the following conditions precedent:

With the exception of the conditions set out in (b) and (d), which are included in the sole interest of the Investors, the above conditions precedent are included in the interest of the Industrial Shareholders, the Top Managers, and the Investors, and accordingly may only be waived with the joint agreement of the Industrial Shareholders, the Top Managers, and the Investors.

The effectiveness of the Investment Agreement is also subject to a condition subsequent, that by the Closing Date the bridge financing in an amount of up to Euro 290 million is provided by the lenders (Banca IMI S.p.A., BNP Paribas, Italian Branch and Unicredit S.p.A., together, the "**Banks**"), and/or that the Banks provide Bidco with letters guaranteeing its obligations to make cash payment of the consideration in the Mandatory Tender Offer. The above condition subsequent is provided in the sole interest of the Investors, and accordingly may be waived only with their consent.
